Virtual dental care 24/7

When it's urgent, you can see a dentist virtually

Humana members have access to **\$0 teledentistry**, also known as virtual dental care, as part of your Humana dental plan. Teledentistry services allow you to see a dentist within minutes from your computer, smartphone or tablet.

If you're in pain or cannot visit a dentist's office, virtual dental care may be an option rather than a visit to the emergency room.

Teledentistry dentists can:

- **Write prescriptions when needed** (Please note, your dental plan does not cover the cost of medications.)
- **Perform a visual exam** for things like mouth, tooth or jaw pain
- **Provide instructions** on caring for mouth, tooth or jaw pain
- **Help you determine if you need urgent/emergency care** or home care until you can see their dentist
- **Help you find a dentist** if you don't have one or if requested

Smart Scan: Stay on top of your dental health between dental visits

- Simply snap a few pictures of your teeth using your smartphone
